

At the 2020 AALS Conference, the Section on Contracts, co-sponsored by the Section on Alternative Dispute Resolution, will present a panel on non-disclosure agreements. Scholars are invited to submit proposals for presentations at that panel on legal issues raised by non-disclosure agreements. Possible topics include enforcement of non-disclosure agreements and remedies for breach; public policy and non-disclosure agreements relating to matters of public interest; the legality and constitutionality of requiring non-disclosure agreements of public officials; non-disclosure agreements in mandatory arbitration agreements; issues in professional ethics presented by non-disclosure agreements; and the relationship between non-disclosure agreements and intellectual property.

You are invited to email a brief description of your proposal to delong@seattleu.edu . The deadline for submission is September 1, 2019.
