

AALS Remedies Section Call for Papers

The AALS Section on Remedies invites paper submissions for a panel on “Remedies in the Restatements” at the January 3–7, 2023 Annual Meeting. Please note that this meeting is currently planned to be held wholly in person. The Remedies session is scheduled for 3 to 4:40 pm on Thursday, January 5. The session, which is cosponsored by the AALS Section on Torts and Compensation Systems and the AALS Section on Intellectual Property, will feature discussion of the current Torts and Copyright Restatement projects. Papers may, however, focus on remedies issues relevant to other Restatement projects. This call for papers is open to all full-time faculty members at AALS member or affiliate schools. Pre-tenured professors and junior scholars are strongly encouraged to submit papers. Panelists will be responsible for payment of their registration, hotel, and travel expenses. For your submission to be considered, please submit a title and abstract, and if available an introduction, to John Golden (jgolden@law.utexas.edu), by August 12, 2022.
