## Law Lecturers' Workshop

May 8-12, 2023

Burlington, Vermont

In collaboration with Vermont Law and Graduate School

Application deadline: January 20, 2023

The Law Lecturers' Workshop is part of the Centre's teaching outreach mission, which aims to give interested instructors the tools to teach an Animal Rights Law course. The Workshop will share all the course materials from the Cambridge Animal Rights Law course, discuss strategies of how to put together an Animal Rights Law syllabus, examine what readings to include, and explore how to get students involved beyond class participation.

The Workshop supports a key goal of the Centre, which is to have courses in Animal Rights Law offered in 100 universities worldwide within 5 years. The Workshop is delivered by Dr. Raffael Fasel and Dr. Sean Butler, and managed by Teaching Network Manager Eva Bernet Kempers.

The Law Lecturers' Workshops are made possible through the generous support of lead sponsor the Jeremy Collier Foundation, with additional sponsorship by the International Society for Animal Rights and the Brooks Institute for Animal Rights Law & Policy.
